Helbio delivers 5kW system to CPERI in Greece

Metacon subsidiary Helbio has shipped a 5 kW low temperature PEM fuel cell system to Chemical Process & Energy Resources Institute (CPERI) based in Thermi, Thessaloniki, Greece, an order that was announced via a press release on January 15th, 2020.

The system will be operating on high purity hydrogen and have an adjustable DC/AC power conditioning system with output power of 5 kW.
